Sir:

During the May 21, 2010 telephonic interview, Examiner Tischler described that a proposed Examiner's Amendment and a terminal disclaimer for U.S. Patent Application No. 10/582,545 would result in allowance of the instant application. Applicants authorized the Examiner's Amendment, specifically to amend "ds" in claims 1, 6, 24, 26, 27, and 29 to recite "(ds)."

Respectfully submitted,
